CONSENT TO COLLECT PATIENT INFORMATION AND ACCEPTANCE OF FEE POLICY

As a patient of Men's Health Melbourne, a medical record containing personal information will be maintained throughout your treatment. These records will contain information including, but not exclusive to, your name, address, date of birth, Medicare number and the details of your referring doctors and doctors involved in your care. During the period of assessment and ongoing management, information of relevance is recorded in your clinical notes. These records are stored securely and may be kept for up to 7 years following your last consultation. If necessary, for the continuity of your medical care, this information may be shared with other health practitioners involved in your treatment. In certain circumstances there may be a legal obligation to disclose clinical information. A full copy of our privacy policy is available on request.

This medical practice collects information from you for the primary purpose of providing quality health care. We require you to provide us with your personal details and medical history so that we may properly assess, diagnose, treat and be proactive in your health care needs. We will use the information you provide in the following ways:

1. Administrative purposes in running our medical practice.
2. Billing purposes, including compliance with Medicare and Health Insurance Commission requirements.
3. Disclosure to others involved in your health care, including treating doctors and specialists outside this medical practice as advised by you.
4. Patient data may be used for audit purposes or used in research studies. All data used for these purposes will be de-identifed and anonymous

- I understand the reasons why my information must be collected.
- I understand that I am not obliged to provide any information requested of me, but that my failure to do so might compromise the quality of the health care and treatment given to me.
- I am aware of my right to access the information collected about me, except in some circumstances where access might legitimately be withheld. I understand I will be given an explanation in these circumstances.
- I understand that if my information is to be used for any purpose other than the above, my consent will be sought.
- I consent to the handling of my information by this practice for the purposes set out above, subject to any limitations on access or disclosure of which I may notify this practice.

FEE POLICY

In accordance with standard business practice, **payment is requested at the time of consultation.**
Please note payment is required on the day of appointment. Any outstanding invoice that require Debt collection will attract an additional 20% to cover costs incurred.

For eligible patients, a portion of your account will be claimable from Medicare.

Men's Health Melbourne has a cancellation fee policy. If you require details of our cancellation policy please ask one of our staff.

There may be additional charges associated with your consultation for as recommended by your specialist. You may be referred for other tests by your specialist such as radiology or pathology, which may incur out of pocket costs. Information regarding fees and charges for these additional tests can be obtained from the provider you are referred to. Should you require an elective admission to hospital, you will be provided with a detailed quote and informed financial consent form prior to your admission.

I agree to the information listed above as stipulated in "Consent to collect patient information and acceptance of fee policy"
